SALISBURY STATE UNIVERSITY ALUMNI ASSOCIATION

Merwins Bid SSU Farewell

Dr. William C. Merwin resigned as president of Salisbury State University this summer. Merwin, who was appointed president at SSU in 1996, began his new position as president of Florida Gulf Coast University in Southwest Florida in September.

"It is with mixed emotions that I resign as president at Salisbury State University," said Merwin. "(My wife) Debbie and I love it (in Salisbury). We were warmly welcomed and always felt supported by the faculty, staff, alumni and local community. Chancellor (Donald) Langenberg and the (University System of Maryland) Board of Regents did all they could to entice us to stay at Salisbury. But ultimately the pull of our three sons and six grandchildren (who live in Florida) turned out to be something they could not match."

"During his three years at Salisbury," said Chancellor Langenberg, "President Merwin has made significant contributions to the advancement of the University. He has built strong ties with the local community, increased the visibility of SSU across the state, and added to the institution's national reputation as a first-rate comprehensive university.

From left, Dr. Debra Merwin; President William C. Merwin; Patrick J. Donahue '74, immediate past president of the Alumni Association; Daniel H. Gladding '78, Edgar A. Baker Jr. '71 and Steven C. Shriver '74, all Board of Visitors (BOV); Karen B. Leimann '73, president of Alumni Association; Sara Wolff '98 and Dr. Kathleen Geipe, co-chair, BOV.

"Dr. Merwin's tenure has been characterized by professionalism applied with enthusiasm, by innovation in keeping with tradition, and by vision grounded in solid management," said Langenberg.

A search committee is beginning the process of determining Merwin's successor. Dr. Joel Jones, past president of Fort Lewis College, has been appointed Interim President until the national search is completed.

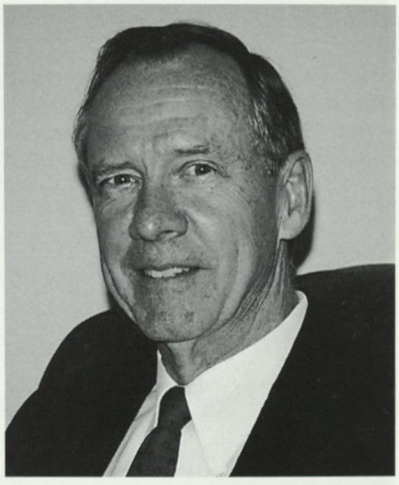
A Message from the Alumni President

I'd like to introduce myself as the new president of the SSU Alumni Association. I graduated in 1968 with a major in history. I then graduated from the University of Baltimore Law School in 1974 and now practice law as a partner at Cullen, Insley, Hanson & Benson in Salisbury, MD.

Other officers who were elected at the annual meeting on October 2 were Cathy Klein Maynard '87, vice president, and Betsy Bishop Robinson '82, secretary/treasurer. Karen Brownell Leimann '73 is immediate past president. New board members elected are Virginia (Dixie) Furr Herweh '94, Thomas B. Westcott III '75 and Wynnette Handy Morris '90. You'll find out more about them in the spring 2000 alumni magazine.



Your alumni association has been energized during the past few years. A new strategic plan wrapped around SSU's goals has been adopted. Homecoming, which I have had the pleasure of chairing for the past two years, has grown immeasurably. Career Day, begun 12 years ago, has ballooned into a week-long activity. Members of the alumni advocacy group, the Board of Visitors, continue to become more actively engaged in campus activities and volunteer their assistance in several important initiatives. And a variety of alumni celebrations are taking place in several areas, as well as a new young alumni group on the Lower Eastern Shore.

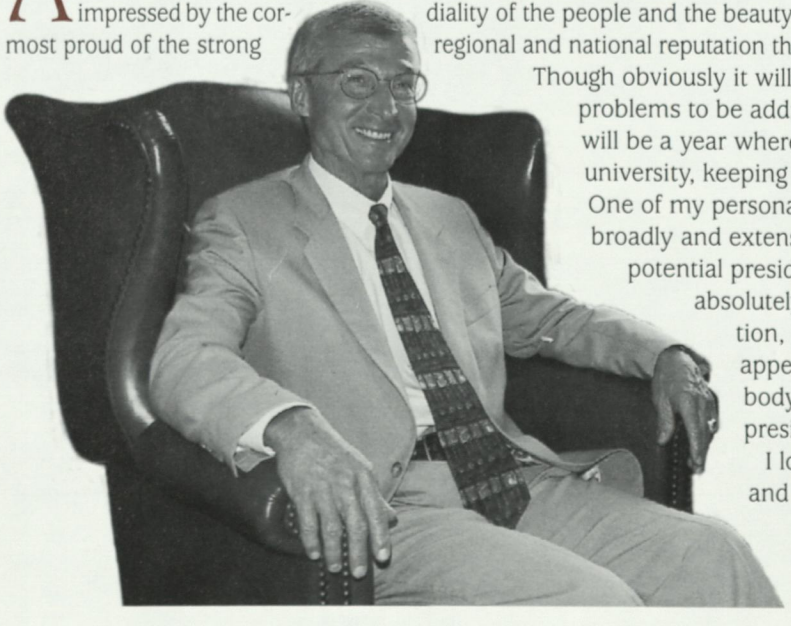
Now is a great time for you to consider getting involved. The Alumni Association is about keeping that Salisbury State connection. The satisfaction that comes from sharing a little of your time with alumni, students and faculty is enormous. Why not join the fun as we look forward to celebrating SSU's 75th anniversary beginning next September?

Sincerely,

Hugh K. Hanson '68
President, SSU Alumni Association

Greetings from Interim President Joel Jones

As I write this after a few weeks in the office, I can assure you that filling the presidential role at SSU for the next eight months or so will be indeed a privilege and a pleasure. When my wife, Julie, and I first visited Salisbury three months ago, we were immediately impressed by the cordiality of the people and the beauty of the campus. As alumni of this institution, you should be most proud of the strong regional and national reputation that you and your campus colleagues have established for SSU.



Though obviously it will be premature of me to articulate either priorities or problems to be addressed during the next year, I can comfortably say that this will be a year where we will be building on the many strengths of this university, keeping our eye on the continuing upward gradient of success. One of my personal priorities will be to promote and advocate SSU as broadly and extensively as possible—helping to build the strongest pool of potential presidential candidates for this permanent position. I am absolutely confident that given the many strengths of this institution, the commitment of the faculty and staff, the esthetic appeal of the campus and the impressive nature of the student body, we will have an outstanding field of candidates for this presidency.

I look forward to working with you all during this next year and would welcome the opportunity to meet with you to hear any suggestions that you might have personally or collectively about the immediate and long-range future of this stellar institution.

Alumni Association Awarded Grant

Salisbury State's Alumni Association has been awarded a $5,000 grant from the Alumni Association-International Inc. (AA-I).

The grant will be used to enable the Alumni Association and the Office of Career Services to put our Work Information Network (WIN) online. WIN is a database of more than 600 alumni volunteers who are willing to offer students and other alumni career information and/or provide assistance with a job search.

Career Counselor Liz Bellavance guided the team of three student interns from the Perdue School of Business to computerize the WIN database. The next step in offering this invaluable career tool is to make it available on the Web, resulting in the accessibility of WIN to all students and alumni seeking to define or re-define their careers.

By the end of 1999, Salisbury-based Beacon Technologies will convert this database and host it on one of their servers. Following this conversion, students and alumni will be able to search for information in a variety of user-friendly ways (geographical, type of career, etc.) Alumni will also be able to add their names and work information to this database, as well as edit their own information as their career paths change. Alumni currently enrolled in the WIN program, as well as those seeking to initiate or change their participation, may contact career services by e-mail at **careerservices@ssu.edu** or the alumni office at **alumni@ssu.edu.**

This grant will also enable the alumni office to process and accept credit card purchases/Annual Fund pledges with total confidentiality through our Web site. Funds will provide training necessary to implement this project, as well as promotion of the service to alumni.

More information about the new alumni services provided by this grant will be available in the near future.

The 1999-00 Annual Fund Campaign
Exciting Changes and Additions

The Salisbury State University 1999-00 Annual Fund Campaign looks to continue to capitalize on the tremendous growth and success of the 1998-99 campaign. Last year's campaign saw a dramatic increase in giving from all areas of the SSU community. Spearheading the rise in donations were the SSU alumni. Alumni donations, which included several generous leadership gifts, accounted for the majority of gifts received during the campaign.

Several changes and additions will highlight the 1999-00 Annual Fund Campaign. The Annual Fund now has its own Web site, http://www.ssu.edu/AnnualFund.html. The Web site keeps all interested parties up-to-date in what is occurring in the Annual Fund as well as the total donations for the present year's campaign. Also, the site allows all donors the opportunity to make their pledges to SSU via the Internet.

The yearly alumni phonathon was moved from March to the fall. The 1999-00 phonathon took place during the first half of the month of November. Follow-up phone calls will be made in March. The move allows alumni to have more time to meet their pledge. In addition, this added time will enable alumni to make their donations prior to the end of the fiscal year, June 30. All donations made prior to June 30 are listed in the yearly Salisbury State University Foundation Annual Report and *In Touch*.

For those alumni interested in restricting their gifts to SSU athletics, the Varsity Club has been established to provide financial support for the enhancement of the University's intercollegiate athletic program. The Varsity Club is made up of alumni, parents, corporations and friends of SSU athletics. Membership donations to the Varsity Club are considered donations to the Annual Fund and will be listed as such in the various publications. For more information, please contact the SSU Athletics Department at 410-548-3503.

Class of '58 Makes Gift

The Class of 1958 raised $2,450, through its Reunion Class Gift Campaign. The class has purchased a teak table and two teak arm chairs, both engraved, for the patio overlooking the rose garden behind Holloway Hall. Also, the class presented the SSU Foundation with $1,200 designated for the Alumni Scholarship Fund. Seated: Fred Baker, Dr. Wayne Smith, class president. Standing: Dr. Joel Jones, interim president, Marty Williams, vice president for advancement.

On behalf of the University, alumni are thanked for their continued support and involvement. For additional information or if interested in serving on the Annual Fund Committee or chairing a Reunion Class Gift Program, please contact Michael Jessup, director of annual giving, at 410-548-2074.

Fund-raising Campaign Goal Of $13 Million Surpassed

Salisbury State is the first campus in the University System of Maryland (USM) to reach its multimillion dollar fund-raising goal, passing the $13 million mark.

USM Chancellor Donald N. Langenberg said the advancement team at Salisbury State has beaten the clock not merely by weeks or months, but amazingly by three years. The University System of Maryland Campaign runs from 1995-2002 and has an overall goal of $700 million. SSU's original goal was $11 million but upon his arrival in 1996, Past President Merwin boosted the goal to $13 million. Sam Seidel, local businessman and long-time benefactor of SSU, and Cambridge attorney Ed Nabb, benefactor of the Research Center for Delmarva History and Culture, are co-chairs of SSU's Campaign 2002, Our Promise of Excellence.

SSU's campaign efforts are not finished despite reaching this monumental benchmark. While efforts thus far have been in concert with the Strategic Plan, particular emphasis in the coming years will be placed on student scholarships, endowed faculty chairs and new learning technologies.

Gulls Claim Third Men's Lacrosse National Championship

The men's lacrosse team captured its third NCAA Championship in six years with a 13-6 victory over Middlebury in the national championship game on May 30 in College Park, MD. SSU finished the year with 18 wins, setting a new single-season record. The Sea Gulls also claimed the title in 1994 and 1995.

The lacrosse championship capped a banner 1998-99 athletic year for Salisbury State, which captured six conference titles and claimed the Capital Athletic Conference's All Sports Trophy. Seven Sea Gull teams were represented in the NCAA Championships and 14 student-athletes earned all-American honors.

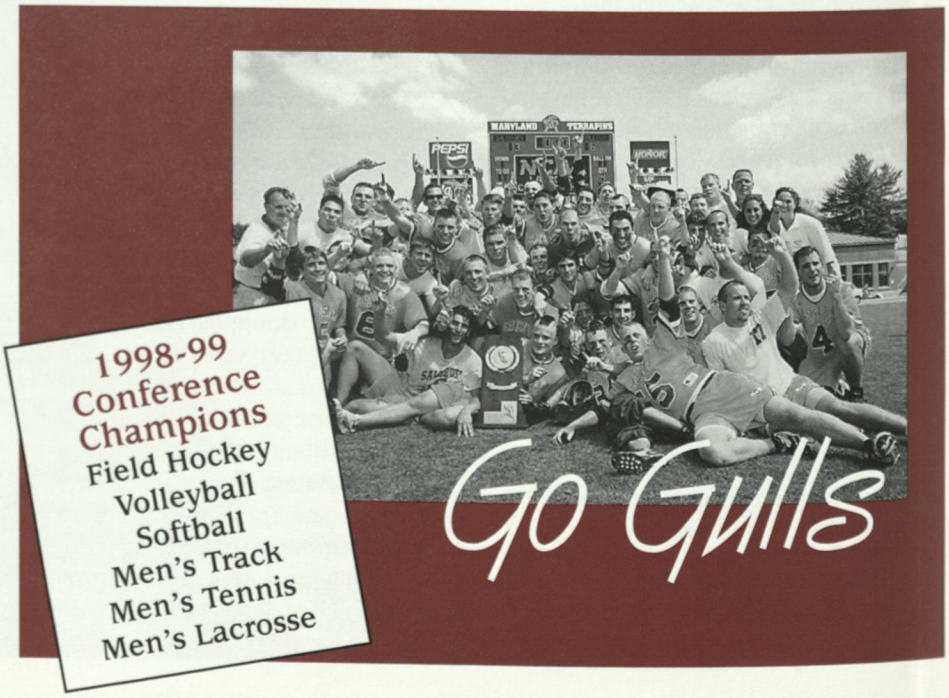
Theatre Program Endowed

In gratitude to the community which has been her home most of her life, Bobbi Biron, 82, is endowing Salisbury State's Theatre Program for more than $500,000.

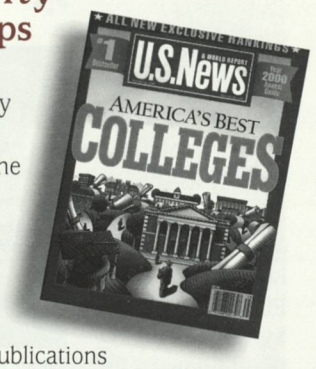
Bobbi Biron

With this gift SSU becomes the first campus in the 13-member University System of Maryland with an endowed theatre program or department. The program is being named in her honor. According to Martin Williams, vice president of university advancement, in the next few years, the Biron gift will provide just under $12,000 of support annually. Biron has stipulated a variety of uses for her gift, but those most frequently mentioned by her and SSU officials are student scholarships and guest artists' programs.

The University "offers so much to residents here," she said. "Salisbury has been good to the Biron family. This is a little way of repaying it."



University Rated Tops



The Salisbury State University diploma has recently become even more valuable. Adding to SSU's growing reputation, two national publications have ranked the University as one of the best in the country.

This fall the prestigious *Princeton Review* guide, *The Best 331 Colleges*, ranked SSU as one of the top universities in the nation. This comes just after *U.S. News & World Report* ranked SSU among the top 10 public regional campuses in the North. This is the third year in a row SSU has made the *U.S. News* list.

The Princeton Review both solidifies the University's growing reputation, and more. Published since 1992, the annually updated book is a national guide to colleges and universities. *The Princeton Review* considers "the cream of the crop," said Jeanne Krier, publicist for Random House, which publishes the *Review*. Less than 10 percent of America's 3,500 colleges are in it.

The quality of the SSU community, past and present, has aided in garnering these high ratings. In addition to current University statistics, *U.S. News* also looked to other criteria including reputation, retention and graduation rates, and alumni giving.

SSU Draws Superlative Thinkers and Writers

Cornell West and Toni Morrison

The University has hosted two nationally eminent lecturers already this fall. There were full houses to see Cornel West, the fall Riall Lecturer, and Toni Morrison, the first speaker of the newly created Presidential Lecture Series.

Cornel West has been called "the pre-eminent African-American intellectual of our generation" and compared by his colleagues to Martin Luther King Jr. A professor of religion and Afro-American studies at Harvard, West was the Riall Lecturer on September 12.

West (right) signed copies of his recent book.

He discussed issues raised in his book, *The War Against Parents,* co-authored with Sylvia Ann Hewlett. West explores how marketing forces undermine the American family. Government, the authors contend, has turned a blind eye to family needs for years while paradoxically decrying the disintegration of the family. Legislators, they believe, have relinquished responsibility for maintaining family life. The result, among other things, is a "parental time famine."

Morrison (second from left) made time to talk with SSU students.

Princeton University professor and Nobel laureate Toni Morrison read from her latest novel, *Paradise*, on September 26 as the first speaker of the Presidential Lecture Series. Morrison, 68, has had a distinguished career as a teacher, editor, novelist and essayist. In 1993 she became the first African-American to win the Nobel Prize for literature.

Morrison's seven novels, *The Bluest Eye, Sula, Song of Solomon, Tar Baby, Beloved, Jazz* and *Paradise,* have received international critical acclaim. She received the National Book Critics Award in 1977 for *Song of Solomon* and the Pulitzer Prize for *Beloved.* In addition, her novel *Beloved* was recently adapted into a feature film by Oprah Winfrey.

My College the Car Poll

While SSU's write-up in *The Princeton Review's Best 331 Colleges* was glowing for the most part, one statement caused major molar mashing in the Admissions Office. This sinister student had the temerity to compare Salisbury State to a Ford Escort: "It (SSU) will get you from A to B, but not particulary fast or in good style."

As it says in the SSU Admissions publications, "Imagine!."

Well, here is one of life's rare opportunities to set the record straight. Students, faculty, staff, alumni and anyone else with a mind-numbing amount of free time, is hereby encouraged to fill out the following poll to determine SSU's true vehicular lineage. Ladies and gentlemen, start your engines (and may they be Honda Accords, please)!

Results of this poll will be announced in the spring *SSU magazine* (Really!). Please submit your entries to the SSU Public Relations Office, Holloway Hall Room 155, 1101 Camden Avenue, Salisbury, MD 21801-6837.

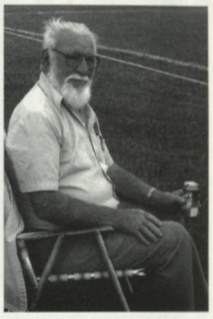
Men's Soccer Alumni Play and Raise Funds

The 15th annual SSU Men's Soccer Alumni Game and Cookout, now a "weekend" event, was held on Saturday, August 28. After the usually competitive match that left the alumni defeated and tired by a score of 4-0, the mingling of "old" and new players continued at a cookout at the home of Coach Gerry DiBartolo.

Soccer alumni also gathered during the weekend at a benefit golf tournament and auction to raise funds for the newly-created Elmer Lord Memorial Fund. Elmer Lord was a devoted soccer fan who attended every SSU men's soccer game over the past 20 years until his death this February at age 86. Many of the players from years past fondly remember his presence at the games as he loudly called out to players by number or nickname and cheered them on to score.

The fund continues an award Lord, a soccer player himself in his youth in England, had established during his life. The award yearly recognizes a player for exemplary hard work and love for the game with a plaque presented at the annual fall/soccer awards banquet. Previously presented anonymously as the alumni award, the award will now be known as the Elmer Lord Memorial Award. In addition, DiBartolo hopes to raise enough funds to have the first Elmer Lord Memorial Soccer Tournament, an annual home event, in the fall of 2000.



Elmer Lord, lifetime soccer fan

Currently, approximately $1,400 has been collected toward the Lord Memorial. Alumni who want to contribute please send tax deductible donations payable to SSU Foundation. Please indicate on the check Elmer Lord Memorial/Men's Soccer and mail to Salisbury State University Foundation, 1120 Camden Avenue, Salisbury, MD 21801-6837.

If anyone would like to become involved in planning next year's alumni weekend events, please contact Dean Wampler, alumni coordinator, at 410-742-5776, or Gerry DiBartolo at 410-548-5338.

Athletics Hall of Fame Adds Two

Salisbury State added two new members to its Athletics Hall of Fame during Homecoming festivities. The newest inductees, Anita Gruss '78 and Les Wright '84, were honored at a banquet on October 1.

Gruss is a two-sport star in field hockey and women's lacrosse who joined the Sea Gulls as a junior transfer. She put up such overwhelming offensive numbers in the two sports that she becomes just the second two-year player to be inducted to the Hall of Fame.

Wright is one of the most accomplished cross country runners in the program's history. He was the team's MVP as a sophomore, junior and senior. Wright won two meets in his senior year, including the Tidewater Conference Championship. His winning time of 26:25 was the fastest-time recorded over the 8K championship course by an NCAA Division III runner.

The Hall of Fame was initiated in 1985 to honor those who have made outstanding contributions to Salisbury State's athletic heritage. The addition of these two inductees brings the Hall's membership to 67. Each member has a permanent plaque displayed in the Hall of Fame showcase in Maggs Physical Activities Center.

Selection for the Hall of Fame is the highest honor that the University can bestow upon one of its former student-athletes. To be eligible, an individual must have graduated from the University at least 10 years earlier or be retired as a coach or administrator. Nominations for a given year must be submitted on an official nomination form to the director of athletics by April 1 for consideration. For more information call Dr. Michael Vienna at 410-548-3503.

Varsity Club Is Up And Running

The University athletics program has a new team on campus this year. The SSU Varsity Club, comprised of alumni, parents, corporations and friends, supports the University's 19-team intercollegiate athletics program.

To join the Varsity Club or for more information contact the Department of Intercollegiate Athletics at 410-548-3503.

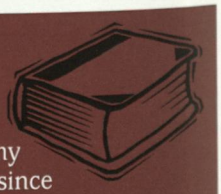
Alumni Directory Completed



SSU's first Alumni Directory was completed and sent to those who had ordered it last May. Since that time, raves have come in from alumni up and down the East Coast. Many say they have contacted people they have wondered about since graduation. Others say they have discovered some of their neighbors are alumni, but never realized it until the directory was published.

Alumni are listed in five categories in the directory: alphabetical, by class year, geographical, by profession and e-mail addresses. The intent of this directory is to enable alumni to stay in touch with other alumni and not for solicitations. Thank you for using the directory only for the purpose intended.

A limited number of directories are still available. If you are interested, call Harris Publishing Company at 800-877-6554 or e-mail at inquiry@bcharrispub.com.

Jennifer Quinn Hodson '86 has moved to Rhode Island and is completing her master's degree at Brown University.

Jean Hooke Sewell '86 has recently graduated from the Bank Marketing Association's School of Bank Marketing and Management at the University of Colorado in Boulder, CO.

Dr. Maria-Luisa Carey '87 helped complete a survey developed by the National Board of Chiropractic Examiners.

Regional Review

Alumni activities and events were varied and numerous during the summer and fall. In June, 250 SSU alumni attended an Orioles game at Camden Yards in Baltimore. In July, 70 alumni, families and friends attended a Shorebirds game at Perdue Stadium in Salisbury. In August, the new lower Eastern Shore young alumni club enjoyed a successful kick-off happy hour at Market Street Inn in Salisbury.

September brought the annual SSU Day at the Maryland Renaissance Festival, where over 100 alumni, students and parents enjoyed a day of 16th century entertainment. A host of new activities during Homecoming weekend in October brought hundreds of alumni back to campus for a weekend not soon forgotten.

As this newsletter goes to press, plans are in progress for long-time football rivals, Salisbury State and Frostburg State, to play November 13 in PSINet Stadium in Baltimore, home of the NFL's Ravens. The Sea Gulls and Bobcats will be playing for the newly-created Regents Cup, designated by the University System of Maryland Board of Regents, and will be presented annually to the winner of the only game that features two USM member institutions.

Read about the results in the spring magazine, and mark your calendar now for November 11, 2000, for the second annual Regents Cup game between Salisbury and Frostburg.

Alumni Donors

July 1, 1998 - June 30, 1999

Salisbury State University is deeply grateful to all those alumni who generously supported our University between July 1, 1998, and June 30, 1999. Your generosity has enabled SSU to continue to offer high quality education for our students.

If your name has been omitted, misspelled or listed incorrectly, please accept our apologies and call the Alumni Relations Office at 410-543-6042 or 1-888-729-2586 to correct our records.

Do you know?

Next year is much more than the beginning of a new millennium for Salisbury State University—we'll also turn 75 years old!

Plan to celebrate with us as SSU observes its 75th anniversary beginning September 2000.

More information will be sent to you beginning in the spring.
